The Latest JCM Software Listing (shown above) identifies specific software versions that have been released to OEMs. It is the responsibility of the OEM to obtain all required approvals from Gaming Regulators and Jurisdictional Authorities necessary for use of approved software versions. Contact the Game Manufacturer (OEM) for information on specific software releases approved for use within your gaming jurisdiction.

JCM recommends using the latest version for maximum acceptance, security, and performance.

JCM eLearning Offerings

JCM offers the following Training Options to help keep your JCM Products performing within factory specifications:

Online Training

For those who prefer self-study, Online Training is available 24/7. Training can be completed as your schedule permits. A Certificate of Completion is provided upon course completion.

Virtual Training

Instructor-led events for all JCM products are also available. Full interaction between attendees and the Instructor meets the needs of your team. Contact JCM Training at training.jcmglobal.com for more information.

JCM Global® Is The Source For All Your Display Needs!

JCM Global incorporates the latest digital display technology (single screen to large scale video wall solutions), digital content creation services and networked solutions for all your media needs. JCM Global products combine unsurpassed color uniformity and the best pixel-to-pixel resolution available in the Gaming industry in an easy-to-install package. JCM Global MAX-S™ provides a high-resolution interlocking panel solution for large scale LED Video screens. JCM Global FLEX™ offers articulating panels for curved surface implementations. JCM Global CUBE & FLOOR™ supports 3-D Video Displays and JCM Global ELEMENTS™ supports outdoor installations. For details, visit the JCM Global website at www.jcmglobal.com!

FREE JCM TRAINING AVAILABLE 24/7

Technicians need training, but is time or class availability a problem? JCM Online Training offers classes to meet your schedule and your needs. JCM Online Training Programs feature the same content as JCM On-site Training with the added convenience of flexible scheduling. Visit training.jcmglobal.com for more information or to register for classes.

Technical Bulletin 202009 September 2020

Technical Tip

Question: Does JCM offer Virtual Training?

Answer: JCM Training offers a full line of courses that can be presented by a JCM Trainer in a virtual environment. These courses provide the benefits of instructor-led training without impacting Slot Operations and schedules. Training is available for JCM products, such as:

- iVIZION® Series Banknote Acceptor
- UBA® Series Universal Bill Acceptor
- GEN5™ Series Thermal Printer
- GEN2 Universal™ Thermal Printer
- Custom Curriculum

JCM Virtual Training Courses follow the same format and presentation content as Instructor-led events. Virtual training allows interaction between the attendees and the instructor for a beneficial training experience.

To learn more or to set up a JCM Virtual Training Event, click on **Figure 2** (shown right) or email training@jcmglobal.com with your first and last name, email address and name of the Casino or Company you work for.

For additional information on JCM Products, visit the JCM Global website at www.jcmglobal.com, or contact your local JCM Sales Representative at (800) 683-7248.
