Figure 1 Power Supply Kit for iVIZION® and UBA®

Part No.   701-000269R

Description: iVIZION® and UBA® Power Supply Kit

Usage: An updated Power Supply Kit for use with iVIZION and UBA Banknote Validators (701-000269R) (**Figure 1**), which includes:

- CUI Power Supply (451-000127R) - provides 12VDC at 5A
- Cable, Power (302-100002R)
- iVIZION Harness (40i-000001R)
- UBA Harness (400-000249R)

Note: The UBA Harness includes an in-line communications adapter that converts RS-232 to Photo-Coupler. Also suitable for use with a USB to Serial Adapter (302-100004R) (not shown), the Power Supply is ideal for use on the Shop Test Bench.

The Latest JCM Software Listing (shown above) identifies specific software versions that have been released to OEMs. **It is the responsibility of the OEM to obtain all required approvals from Gaming Regulators and Jurisdictional Authorities necessary for use of approved software versions.** Contact the Game or Kiosk Manufacturer (OEM) for information on specific software releases approved for use within your gaming jurisdiction.

JCM Global recommends using the latest version for maximum acceptance, security, and performance.

JCM eLearning Offerings

JCM offers the following Training Options to help keep your JCM Products performing within factory specifications:

Online Training
For those who prefer self-study, Online Training is available 24/7. Training can be completed as your schedule permits.
A Certificate of Completion is provided upon course completion.

Virtual Training
Instructor-led events for all JCM products are also available. Full interaction between attendees and the Instructor meets the needs of your team.
Contact JCM Training at training@jcmglobal.com for more information.

Evolve Your Cash Management

JCM's ICB® Intelligent Cash Box system streamlines and simplifies cash box collection, saving you time and labor. With digital and automatic asset tracking, ICB reduces human error on the slot floor and in the count room. ICB also empowers casino operators with better, smarter, faster data through custom web reporting and dashboards. Data on bill acceptance rates, duplicate assets, errors, etc. from ICB lead to informed and proactive decisions improving the cash handling process.

FREE JCM TRAINING AVAILABLE 24/7

Technicians need training, but is time or class availability a problem? JCM Online Training offers classes to meet your schedule and your needs. JCM Online Training Programs feature the same content as JCM On-site Training with the added convenience of flexible scheduling. Contact training@jcmglobal.com for more information or to register for classes.

Technical Bulletin 202503 Jan 2025

JCM Global® Bringing 70 Years of Innovation to IGA Booth #931 March 31-April 03, 2025 San Diego Convention Center San Diego, California

For 70 Years, a spirit of innovation has inspired JCM Global's Design and Development Teams to create industry-leading technology.

Now, in Booth #931 at the Indian Gaming Tradeshow and Convention, JCM will continue celebrating its 70th Anniversary of creating solutions that Native American, First Nation and Commercial Casino gaming operators rely on to boost security, increase efficiencies and enhance the guest experience.

Attendees will experince JCM's award winning iVIZION® and UBA Pro® Bill Validators. iVIZION and UBA Pro feature best-in-class technologies providing the highest levels of Security and Acceptance.

JCM is one of the gaming industry's most prolific systems developers and will showcase multiple pioneering solutions. FUZION® offers a full suite of features, including BLE Mobile Wallet connectivity, real-time cash managment, proactive drop/fill alerts and more. JCM will also show the ICB® System, proven to reduce human error; the patented PromoNet couponing system; and CountR's TITA™ table game solution that brings funds access to the table.

JCM will also present its GEN5® and CouponXpress® Printers, gaming's standard for thermal printers. JCM's reliable printers empower operators to communicate with players through TITO tickets and promotional coupons.

Flexible, bright and colorful, JCM's Digital Signage Solutions are the perfect way to communicate with guests indoors and outdoors. At IGA 2025, JCM will showcase its cutting-edge NexBarrier transparent pony wall solution, ePOSTERS and TV-PRO,
